Grade 1-9 students outside of catchment area

It is unlikely that we will be able to accommodate new registrants in grades 1-9 as we expect our current student population will meet our maximum enrolments for the 2017/2018 school year. If you choose to pre enroll at A Blair McPherson and we are unable to accommodate your registration you will be notified on April 20th.

Kindergarten students outside of catchment area

If we meet our maximum enrolment with kindergarten students that reside within our catchment we will be unable to accommodate outside catchment registrations. If you choose to pre enroll at A Blair McPherson School and we are unable to accommodate your registration you will be notified on April 20th.

NOTE : Students cannot be registered at two schools at the same time
